Concept explanation with more exampal.

1. Concept explanation with more example

1. Concept explanation with more example. 2. Teaching learning process must be based on practically learning.

Concept Explanation With More Example .

1. Concept explanation with more example
2. Teaching learning process must be based on practically learning.

1. Concept explanation with more example.
2. Teaching learning process must be based on practically learning.

Concept with more example explanation
Teaching learning process must be based on practically learning

1. Concept explanation whith more example
2 teaching learning process must be based on practically

1. Concept explanation with more example.
2. Teaching learning process must be based on practically learning

Not bad.

Aur behtar banana chahiye

No comments

No comment

Every teacher should be unit completed after unit test & observation for this question answer.

Every any teacher atemd the class every day.

Extra class lgana chahiye

Evry things is all right

Exclusive teaching Quality..👍

Failer

Good teaching & study

Good teaching learning

सभी कक्षा समय पर हो।

Do down course

No idea

1. पाठ्यक्रम में बदलाव
2. शिक्षण के साथ प्रायोगिक क्षेत्र में ध्यान देने की आवश्यकता है
3. प्रशिक्षित शिक्षकों की आवश्यकता,

This college in the pti is not available in the l'm not spots is patisivet

The student's feeling is understood in this

We need to pg college in our area and smart classes for every student and we get to extra fand to learning more thinks with precticals

1 Concept Explanation Whith more example 2 Teaching learning process must be based practically learning

No any suggestions

.

Teachers give attention all students and gave a motivation speech sometimes in the class science class will be held sometime important topic is will be held on ICT projector in the classroom.

Technology

Communication skills strong

Tiching is best my teacher

Improve college play ground , student study level grow

LCD Projector and Multimedia etc.

Aur behtar bnana chahiye

- 1) Use better graphics and visual media to engage students well. Better graphics and colors arouse the interest and desire to learn among students. ...
- 2) Try to reach every student and ask for their doubts. ...
- 3) Make teaching a two way interaction.

Good teaching

Discipline and education for progress

We need to better education

We need to improve better education

We have to pg college in this area

Self education best

Nice

very good
